CORONAVIRUS

As the owner of Brett Vale I take every measure of responsibility very seriously.

Coronavirus COVID-19 is causing an increasing level of concern and I feel **everyone** who visits Brett Vale has a huge responsibility to themselves and all others.

The Government advice and the whole awful situation is changing at a fast pace and we can only take each day as it comes. We will strive to keep going while we can and the course will stay open unless the laws stop us.

The measures that are in place at the moment are:-

Our kitchen and bar areas are being disinfected continuously.

We have opened the function room so all members can keep to a social distancing policy (**please adhere to this**).

No handshaking or physical contact (and that does include Jay!)

Please ensure handwashing with soap and hot water is automatically done when entering the club house.

If you have **any symptoms** that are in any way possibly connected to the Coronavirus **PLEASE STAY AWAY.**

Every member and every guest please take this very seriously and **PLEASE DO NOT PUT OTHERS AT RISK.**

COMPETITIONS

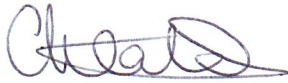

All County Comps are cancelled but we will still commit to playing all the Club Comps on Sundays and midweek. We will keep all of you informed as much as we possibly can.

These are going to be the hardest times ever for so many many people in the UK. Brett Vale is going to be no different. Whatever happens we have to keep the course in constant good condition throughout this time and all our staff, inside and out, are committed to keeping our standards high. It will be very tough to keep all our staff employed and presently there are over 180 members who haven't yet rejoined for the coming year. Our overheads are huge, we still need machinery, diesel, petrol, fertilisers and a workforce. If we do not continue the course will suffer immensely to a point that when this is all over there will not be a course.

We can only ask that regular members understand our plight and help us by rejoining. Even if there is a time where you cannot play we as staff still have to keep going to make sure the course survives. Your help would be greatly appreciated at this time. Those members that have already rejoined myself and the staff thank you from the bottom of our hearts.

Please all of you, take good care of yourselves.

Cheers everyone,
